Ni sefydlwyd statws pob is-bwyllgor, sef Ymgynghorol (gwneud argymhellion i'r cyngor llawn, sydd wedyn yn gwneud y penderfyniadau) neu'n Weithredol ble mae'r cyngor llawn yn dirprwyo'r pŵer i wneud penderfyniadau penodol i'r pwyllgor. Yna mae'r pwyllgor yn adrodd ei benderfyniadau i'r cyngor llawn.

The status of each sub-committee was not established, that is **Advisory** (make recommendations to the full council , which then makes the decisions) or **Executive** where the full council delegates the power to make certain decisions to the committee. The committee then reports its decisions to the full council.
